Hi Ms. Devine.

The law requires you to set a date by which you will provide the records rather than a date by which you will provide an "update."

It also requires you to make records available promptly, which you have failed to do.

Thanks,

Dear [REDACTED]

Thank you for your interest in our records. For future correspondence, please update your records/make note of our BID email addresses as shown above.

We seek to provide these records at our earliest opportunity. At a minimum, we will provide an update by Thanksgiving.

Warmest regards,

Tara

Good morning, Venice Beach BID.

I'm wondering what has become of the appended request. I sent it eight

months ago. The law requires you to have responded by February 27, 2017, but you have failed to respond at all.
